MEMORANDUM FOR:

VIA : Director of Political Analysis

FROM : PB/NSC Coordinator

SUBJECT : Briefing Coordinator Position on PB/NSC Staff

1. Though you withdrew your application for one of the advertized vacancies on this staff, I wanted to express my appreciation for the interest you showed.

2. You were a competitive candidate and, when another vacancy occurs, I hope you will consider submitting your application again (as the slots are for a nominal one year rotation, a vacancy could occur as early as next winter). In the meantime let me say that I am glad that an opportunity came up within your office which more immediately met your desires.
